

**Gender equality: in Finland,  
women and men have the  
same rights and  
opportunities.**

**Girls and boys have  
the same rights and  
opportunities for education  
and hobbies.**

**Parents treat and support boys and girls equally and in the same way.**

**Parents listen to their children's own opinions.**

**Even difficult matters are  
discussed calmly in  
families and relationships.**

**Women and men have the same opportunities to study and to work.**

**Housework is a shared responsibility between men and women.**

**Relationships can be diverse.**

**Families can be diverse.**

**Marriage is always  
a voluntary choice.**

**There is the right to divorce,  
even if one spouse does not  
want to.**

**Discrimination is  
prohibited in all situations.**

**Mothers can work even if they have small children.**

**Equality: all people are equal.**

**Self-determination is the right and freedom to decide about one's own life.**

**Everyone always has the right to say "no".**

**Everyone has the right and freedom to decide about their own body.**

**A woman has the right to decide whether she wants to start a family and how many children she wants.**

**Everyone has the right to  
use contraception.**

**Consent means both parties say "yes".**

**Everyone has the right to decide what images and information about them are shared publicly.**

**Everyone has the right to  
decide for themselves who  
they are and how they want  
to live.**

**Everyone has a duty to respect the sexual rights of others.**

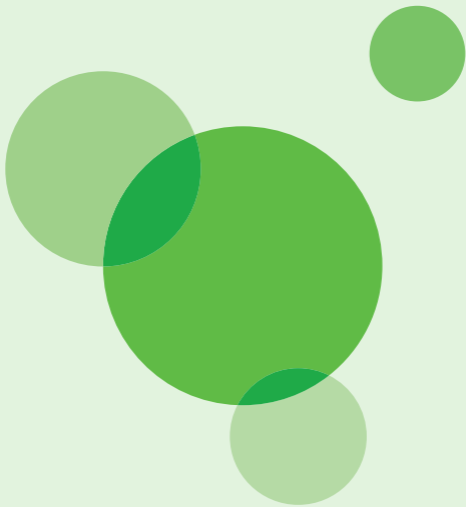

**Violence is always wrong  
and prohibited.**

**Culture does not justify violence.**
